This is an informative blog post about the TV series Stranger Things. Stranger Things is an American science-fiction horror web television series created by Netflix and the Duffer Brothers. It stars Winona Ryder, David Harbour, Finn Wolfhard, Millie Bobby Brown, Gaten Matarazzo, Caleb McLaughlin and Noah Schnapp. The show is set in 1983 Indiana where a young boy vanishes into thin air while riding his bike home one day. His mother, Joyce, doesn't think it's unusual but the local sheriff has suspicions. The boy's friends are worried about him at first until they find out that he was kidnapped by a monster. His disappearance leads to the town being evacuated. There are thirteen episodes in total, each episode is about 45 minutes long. The series has received positive reviews from critics and is currently one of Netflix's most popular original series. It has also been nominated for many categories in various award ceremonies including Emmy Awards, Golden Globes and Saturn Awards among others. The complete season 2 of Stranger Things was released on October 27, 2017 on Netflix after it received rave reviews for its first season. After watching this article, you will be able to: -To know what's Stranger Things about -To know the complete story of the first season. -To know the complete story of the second season.
